that AFOSI was not in a position to evaluate the information and photographs he has collected, to date or technically investigate such matters.

- 3. On 26 Nov 80, SA DOTY received a phone call from an individual who identified himself as U.S. Senator HARRISON SCHMIDT, of New Mexico. SEN SCHMIDT inquired about AFOSI'S role in investigating the aerial phenomena: reported by Dr. BENNEWITZ. SA DOTY advised SEN SCHMIDT that AFOSI was not investigating the phenomena. SA DOTY then politely referred SEN SCHMIDT to AFOSI Dist 17/CC. SEN SCHMIDT declined to speak with 17/CC and informed SA DOTY he would request that SAF look into the matter and determine what USAF agency should investigate the phenomena.
- 4. It should be noted that DR. BENNEWITZ has, had a number of conversations with SEN SCHMIDT during the last few months regarding BENNEWITZ'S private research. SEN SCHMIDT has made telephone calls to BGEN BROOKSHER, AFOSP/CC regarding the matter since Security Police are responsible for the security of Marizano Storage Area.
